Welcoming the New Year 80's style

Unsuspecting visitors to the Country Club on New Year's Eve may have thought they had stepped back in time - Black lights, neon paints, glow sticks and cocktails paved the way for a spectacular evening to see out 2022 and welcome in the New Year.

A good many attending including bar staff and musicians got into the spirit of the Back to the Eighties theme with an amazing array of costumes, showing considerable thought had gone into planning for the event.

A special vote of thanks to Red Oak musicians who donated their time entertaining the crowd gathered over the course of the evening with a repertoire of 80's hits to compliment the night. Thank you Mike & Kim your support is most appreciated.

The kitchen was kept busy with 94 meals to feed the happy crowd. Thanks to Jess and Julie for their assistance behind the bar and in the kitchen, a helping hand keeping everyone fed and watered is greatly appreciated.

Thanks to Andrew Murray for sponsoring the keg for the evening.

The Club will be celebrating Australia Day with a '**Pie and Pint**' special menu on Thursday **26th January** from 5pm. Kitchen opens at 6pm for your pie orders.

Choose from freshly baked Peppered Steak, Beef & Guinness or Chicken & Leek Pies all served with chips and salad plus your pint for \$20.

Party pies and sausage rolls with chips for the kids plus a pop-top drink for \$10.

We look forward to your company.

From the Managers Desk

Happy New Year, I hope everyone had a great Christmas and New Year break, and that harvest is going well for those in the middle of it.

It's been great to enjoy some warmer weather over the break, hopefully everyone has been able to have some down time to enjoy the sunshine.

It has been a busy week back at the CRC with lot's of tourists through both on day visits and staying at the caravan park.

With January being quiet in town due to harvest and holidays we are spending time, stocktaking the library and planning for future events and workshops. If there is any workshops or training you would like to see held at the CRC please get in touch either by phone or email.

A reminder that the Op Shop is looking for volunteers. Can you spare an hour or two either on a Thursday or Saturday morning, you do not need to be available for the whole time the Op Shop I open, any little bit will help the ladies.

Please remember without volunteers the Op Shop **WILL** eventually close and the funds that benefit our community will be gone. We have regular phone calls at the CRC for people wanting to check the Op Shop hours and to plan their visit around when they are open, our Op Shop is that well regarded, so let's work together to keep it operating. Please contact me or the ladies at the Op Shop directly if you can volunteer even one hour a week to help.

Have a great fortnight

Teresa

- 1-2 lemons, sliced seeds removed
- Half a block of feta, crumbled
- 1/2 cup of fresh basil, dill and or mint, chopped

- ORZO SUMMER SALAD
- 3 cups cooked orzo
- 1/3 cup extra virgin olive oil
- 1 roasted red pepper, chopped
- 1 can chickpeas, drained
- 2 cups cherry tomatoes, halved
- 1/2 cup green olives
- 1/2 cup cucumber
- 1 avocado, diced

1. Place the salmon in a baking dish. Add 3 TBSP olive oil, the balsamic vinegar, paprika, oregano, shallot, garlic, and a pinch each of crushed red pepper, salt and pepper. Rub the seasonings and oil evenly into flesh. Toss the lemon slices into the oil.
2. To make the salad. Add the orzo, olive oil, juice of 1 lemon, herbs, and a pinch each of crushed red pepper flakes, salt, and pepper to a large serving bowl. Add the chickpeas, red peppers, tomatoes, olives, and avocado, toss to combine.

Garden tips

Looking to plant some more things in the garden now? Why not try...

Flamboyant bougainvillea, or jasmine with its pretty white fragrant flowers and shiny green foliage.

Some edibles to plant now are herbs such as coriander, basil, chives and oregano.

It's also a good time to plant some leafy greens, such as lettuce.

It's the perfect time to get out and do some maintenance. Deadheading not only makes plants look nicer it helps promote new growth.

Add a wetting agent to your lawn and garden to give it an extra layer of protection against the heat.

Be sure to water it in thoroughly after application.

The Garden Update

With everyone having had a break over the Christmas Holidays, the garden has been a little bit neglected. We are looking at organizing a regular volunteer morning in the community garden where you can come help work in the garden, by doing gardening things like... planting, weeding, watering, socializing and then joining us in the CRC for a morning tea.

We have not yet worked out the best day of the week or exactly when to start yet, but this is definitely in the pipeline, and we will keep you posted via the garden update or the CRC's FaceBook page.

If you are interested in volunteering in the garden, please let the girls at reception know.

Positive and Active Mentoring

Being a *male* is a matter of birth, being a man is a matter of age but being a positive and active *mentor* is a matter of choice, *he didn't tell me, he showed me.*

Wisdom can only be obtained through personal growth, ageing and the experiences we have in life. To me this means we can have a mature young man but not a wise one. I think this interpretation is important because it substantiates the vital role a positive and active mentor can play for us no matter what our age.

Who are our mentors? They can come from a pool of people, but are predominantly sourced from the following areas:

- ◆ someone older;
- ◆ for a bloke, dads are our first choice (92%). This is interesting because society's demographics are changing. Research tells us that in 1960 10% of all kids were living away from their dads whereas by 2010 this had grown to 27% of all kids living away from their dads. This is a significant shift and one that puts additional pressure on the vital role of male mentoring;
- ◆ father figures, grandfathers, uncles, brothers, teachers or sporting coaches;
- ◆ it can be someone who is not in your field of work or play, this can help gain a natural and external viewpoint.

When we are deciding what to do in life (whether it is day to day stuff or longer-term), talking to a mentor can help us with our decision making. This is important both in our personal life and our working and business careers.

A positive and active mentor:

- ◆ not only listens to what you're saying, but asks open ended and reflective questions;
- ◆ has opinions which you respect but acknowledges that you don't have to act on or agree with them;
- ◆ gives wisdom and perspective (lived experience);
- ◆ acts as a sounding board and confidant.

When making major decisions, talking through issues with a mentor is beneficial. Young blokes especially need to tell their stories to mentors. It is by this process that they can validate and question where they are at and where they are heading in life. It helps them to clarify their issues, thus cultivating independent thinking.

There is never a time in a man's life that he won't benefit from having a positive and active mentor.

Mentoring is about developing relationships, it takes time and sacrifice, it's a two-way street and everyone benefits. Blokes often have three types of people (mates) that we can spill our guts to. These usually come from the following categories:

- ◆ a peer;
- ◆ a partner;
- ◆ a mentor.

As blokes we need to identify who these people are. Ask yourself the question *who is my mentor?*

This person may change through our life journey but remember *positive mentoring is rewarding and being an active mentor is our choice.*

Keeping the Legacy Promise Alive for 100 Years

1923 - 2023

Established in 1923, Legacy is an iconic and uniquely Australian charity dedicated to supporting the families of our veterans.

Legacy started in the trenches of the Western Front during World War I, when a soldier said to his dying mate "I'll look after the missus and kids". This became known as The Promise.

Today Legacy strives to ensure that the families in our care can fully realise their potential through advocacy, education, financial and emotional support.

In 2023, Legacy will celebrate its 100 years of Service. One of our key events is The Legacy Centenary Torch Relay 2023 presented by Defence Health. To be part of this historical event, follow the Centenary Torch as it travels across the world via the official app!

Frankland River Cricket Blast Kids at Optus Stadium

On Saturday night four of the Cricket Blast kids from Frankland River were invited to participate in some On Field experiences prior to and during the Big Bash game between Perth Scorchers and Brisbane Heat at Optus Stadium.

Starting with some batting, bowling, and fielding down on the oval prior to the game, the kids got to experience the thrill of playing in the stadium on the big ground. Luckily, it wasn't too hot, and they had a great time. They then went back into the change rooms to get a new Cricket Blast shirt and a Scorchers hat and had a small break prior to returning to the field to welcome the Scorchers players onto the field.

They lined up and were thrilled to shake hands with some of the players and have their shirts and hats signed by a player before the game started.

Returning to their seats they enjoyed the first half of the game before going back down onto the oval to cheer the first two Scorchers batters onto the field for the second half of the game.

From the smiles on their faces, you can see they all had a fabulous time and felt very lucky to be invited to participate.

A huge thank you to WA Cricket Association for inviting the kids along and making the whole experience such a great one. The parents asked me to say a thank you to Rob for coaching the last two seasons and for assisting with organizing the trip to Optus Stadium.

Celebrating a special occasion?

If you would like to send congratulations, share the birth of a new addition to the family, post birthday wishes, celebrate an engagement, wedding, anniversary or special achievements we would love to hear from you!
