**Frankland River Playgroup
Inter-generational Day**

You're Invited!

Senior members of our Frankland River community please join us for a morning of some card making craft with the youngest members of our community and their parents/carers. Morning Tea food and drinks provided as well as the wonderful company of our Playgroup members!

What is elder abuse?

It's the abuse and neglect of older people. It takes many forms.

<p>Physical abuse</p> <ul style="list-style-type: none"> Hitting, pushing, kicking Inappropriate use of drugs or restraints 	<p>Psychological or emotional abuse</p> <ul style="list-style-type: none"> Insults, threats, humiliation, controlling behavior, confinement and isolation
<p>Sexual abuse</p> <ul style="list-style-type: none"> Sexual contact without consent 	<p>Financial exploitation</p> <ul style="list-style-type: none"> Misusing or stealing a person's money or assets
<p>Neglect or abandonment</p> <ul style="list-style-type: none"> Not providing food, housing, or medical care 	

Elder abuse can happen just once or repeatedly.

People who commit elder abuse are **often in a position of trust.**

Managers Report

Well, we have definitely seen the start of Winter with 82mm of rain and temperatures heading towards freezing overnight! Thank goodness the CRC is nice and warm.

Lani Frusher will be starting with the CRC as a trainee next week and will be completing her Certificate II in Tourism. It will be great to have another new person in the CRC helping out and learning the ropes! Please make her feel welcome when you come in.

We had to move our Advocare session and talk from the Cranbrook Police about Elder Abuse and Senior safety from this Wednesday to Tuesday the 27th of June due to the planned power outage this Wednesday. This will be followed by a roast lunch, so we hope to see lots of seniors and their families attend. Please contact the CRC on 9855 2310 to RSVP for catering purposes. A big thank you to the Mt Barker Community Co-Op for supporting our events.

I am thrilled to say we have been successful in two recent grant applications and will see some exciting events and workshops coming up. We have received funding of \$10,000 for digital and technology advancements and usage within the CRC, this will see a Technology Smart Home Hub being set up in the CRC to showcase the use of Smart devices in the home. With a focus on how smart devices can assist the seniors and their families of our community, we will provide workshops on what sort of devices are available, how these can benefit your family and seniors and how easily they can be set up and utilised. More information will be shared in the coming weeks.

We also received a grant to start up Lego Club through the library which will thrill the kids. We are aiming for a Lego Session during the first week of the school holidays and our monthly sessions will follow. Sessions will be advertised in the next Franklander and on Facebook.

As of Monday, the 26th we will be closing at 3pm on a Monday until the end of Term 3. There will also be a few days the CRC will be closed in July and September due to staff configurations. These dates will be advertised closer to the time.

Have a great fortnight.

Teresa

Recipe's

SPANAKOPITA

Ingredients

300g English Spinach -Trim any thick stems, thoroughly wash, dry, then chopped into 2.5cm pieces	
1/2 tsp salt	175g Greek feta, crumbled
1/2 cup Greek yoghurt	2 green onions/scallions, finely sliced
1 egg	2 tbsp mint, finely chopped
1 tbsp dill, finely chopped	1/2 tsp lemon zest
1/2 tbsp lemon juice	2 garlic cloves, finely chopped
1/2 tsp nutmeg, freshly grated	1/4 tsp black pepper
1/4 tsp salt	1/4 tsp cayenne pepper
16 sheets filo pastry	120g butter, melted
60g Greek Kefalotyri cheese, finely grated (can substitute parmesan)	
1/2 tsp white sesame seeds (or more black)	1/2 tsp black sesame seeds (or more white)

Instructions

Preheat oven to 220°C/430°F (200°C fan). Line a tray with baking paper/parchment paper.

Place spinach in a large colander or bowl. Sprinkle with salt, toss through.

Leave for 10 minutes to sweat. Place a handful of spinach in a tea towel, then wring out tightly to remove excess water.

Place spinach in a bowl with remaining Filling ingredients. Mix well to combine.

Cut 16 sheets of filo pastry into 32 x 25cm or 26cm square.

Layer 8 sheets of filo pastry on the tray, brushing each layer with melted butter.

Spread filling on filo pastry. Smooth surface and leave a 2.5cm border.

Cover spinach with a sheet of filo pastry. Brush with butter, sprinkle with Kefalotyri.

Repeat for Sheets #2 to #5. Then cover with filo sheets #6 to #8, brushing with butter in between, but do NOT sprinkle with cheese (neater finish).

Press edges down to seal. Crimp and trim if desired or just leave the edges flat on the tray.

Brush the top with butter, sprinkle with sesame seeds.

Bake 25 minutes, or until golden brown on the surface.

Serve immediately!

Garden Tips

Deter Cabbage Butterflies

Often mistakenly called Cabbage moth, the Cabbage White Butterfly caterpillars love to dine on brassicas and leafy greens from late Spring. Adult Cabbage Butterflies lay their eggs from May to September so it is important that you take steps to protect your crops as soon as they are planted.

Connecting Kids to Country: Year 6 Barna Mia Camp

Gillamii has co-ordinated the Barna Mia camp since 2009, seeing multiple cohorts of year six students from Cranbrook, Frankland River, and Tambellup Primary School experience the Dryandra Woodlands and the biodiversity it has to offer. Students travel to the Dryandra Woodlands National Park, where more than 850 species of flora and fauna can be seen throughout the year.

This camp compliments the on-going Connecting Kids to Country environmental education program, which aims to support positive environmental attitudes and increase knowledge and awareness within our future stewards of the landscape. This camp was generously supported by South Coast NRM through the Federal Government's National Landcare Program, The Community Bank Tambellup/Cranbrook and the Mt Barker Co-Op.

On the 5th of April, twelve year six students from Cranbrook, Frankland River and Tambellup Primary School, teachers, Gillamii staff eagerly made the journey to the Dryandra Woodland for the overnight camp. The

group was introduced to Marty from DBCA who was a wealth of knowledge and took the students through native fauna trapping and monitoring activity.

Our first task was to bait and set the six cage traps and learn about fauna monitoring, as well as biodiversity and threats to our native fauna.

Following dinner, students headed to the Barna Mia Sanctuary for the nocturnal tour where students learned about the importance of the woodlands to our first nations people, and the threats facing wildlife before heading into the sanctuary to see the friendly natives up close. It is safe to say both the adults and students enjoyed the experience of seeing these often elusive natives, especially fauna that is extinct on the mainland.

An early wake up the next morning saw Marty and the group of students head back into the woodlands to see if their trapping was successful. Luckily we had a skilled bunch of conservationists, and we caught three Brushtail Possums and one Woylie.

Marty showed the students how wildlife biologists process fauna and capture important data, before learning how to safely release the animals into the wild.

It was a great trip, sweetened by coming back home for the Easter holiday.

TOY LIBRARY
CRANBROOK - FRANKLAND RIVER

Frankland River: Wednesday 9-12

Year 6 Cyber Safety Workshop - Tuesday 13th June

The Shire of Cranbrook has kindly paid for our Year 6 students to attend a cyber safety workshop in Katanning on the **13th of June**. We will be attending with Year 6 students from Cranbrook Primary School.

Faction Cross Country-Wednesday 14 June

Our Faction Cross Country will be held on **Wednesday 14th June**, starting at **1.00pm**. The event will be held in the bush reserve on Trent St (over the road from the school). Please ensure students have good footwear for running, a drink bottle and any personal medication e.g. ventolin. Parents are welcome to come along and watch the students participate in the race. Parents can take their children home at the conclusion of presentations, but please let your child's teacher know as you leave and ensure that you have advised your bus driver of the change in travel arrangement.

Student Councillor Fundraiser for the Frankland & Cranbrook St John Ambulance

Our Student Councillors would like to raise money for the Frankland & Cranbrook St John Ambulance and they have planned a dress up day for students in Kindy- Year 6. **Dress as your favourite book character on Thursday 15th June**. Bring a gold coin donation. All money raised will go to the Frankland Cranbrook Ambulance.

Room 5

In Room 5 we have been having fun looking at the refraction and reflection of light. The students have been busy creating their own kaleidoscopes to explore the interesting patterns light creates when reflected off angled, shiny surfaces.

Parent TV - What is Neurodivergence?

Neurodivergence is the term for when someone's brain processes, learns, and/or behaves differently from what is considered "typical." The concept of neurodiversity recognises that both brain function and behavioural traits are simply indicators of how diverse the human population is.

Types of Neurodivergence – a spotlight on autism

2024 Kindy Enrolments - Will your child be 4 next year?

In Western Australia, children can start their education in Kindergarten, however compulsory schooling starts the following year in Pre-primary.

Who needs to enrol?

You need to apply to enrol your children in school for 2024 if they are:

starting Kindergarten – If your child is turning 4 years old before 30 June 2024.

starting Pre-primary, the first year of compulsory school – 5 years old before 30 June 2024.

Enrolments are now open. Contact Frankland River Primary School on **9855 0500** to apply to enrol before 21 July 2023.

Find out more here education.wa.edu.au/enrol

Premier's Reading Challenge

How often does your child read to you? How often do you read to your child?

Be their reading legend! Reading just 10 minutes each day makes a difference.

By making time each day to either read with your child, or by encouraging them to read, you are making a huge difference to their literacy.

Reading helps children make sense of the world around them. It builds their curiosity, enhances their imagination and is a wonderful source of entertainment. Reading plays a part in all important literacy skills and can help to build independence and self-confidence.

We are encouraging all families to sign up and register for the PREMIER'S READING CHALLENGE to encourage more of our students to read regularly.

The Challenge:

Anyone from Kindergarten to Year 10 can register to take part in the challenge. You can access over 7,000 book titles, which can be logged onto your child's bookshelf. While the challenge is for your child to log a minimum of 12 books, feel free to log more!

You can log a book that is on the booklist or add a book.

By logging books, your child can be in the running to win fantastic weekly prizes. The prizes include experiences such as a zipline from Matagarup Bridge.

All students who log a minimum of 12 books over the challenge are also in the running for an end-of-year prize.

We want everyone to be able to access books in any format. The Premier's Reading Challenge has partnered with the State Library of Western Australia, who has a wide and growing range of electronic resources available for members and visitors. These include eBooks, online journals, audiobooks, eMagazines, current and historical newspapers and content services such as Ancestry and Kanopy. You can access these resources with your local public library membership. Our school library may also have these books.

<https://www.premiersreadingchallenge.wa.edu.au/>

The Hon Shelley Payne MLC with staff at the Tambellup CRC

Over \$330,000 invested to boost technology in the regions

- Government grants program invests over \$330,000 to boost technology and innovation capabilities for Western Australian Community Resource Network
- \$334,034 awarded to 44 Community Resource Centre projects
- Katanning Hub, Tambellup, Pingrup and **Frankland River** Community Resource Centres all to receive funding

Rural and remote communities across Western Australia will benefit from the WA Labor State Government funding towards technology projects to improve community services.

More than \$330,000 has been awarded to support 44 Community Resource Centres (CRC) to implement technology and innovation projects across the regions.

Funding will allow the Frankland River CRC to create a Smart Home Hub demonstration centre, while the Katanning Hub CRC will purchase a portable video conferencing system. Tambellup CRC will upgrade their photo kiosk and Pingrup CRC will upgrade their public access computers.

The WA Community Resource Network has more than 100 CRCs across regional and remote areas of the State, with all CRCs eligible to apply under the grant program.

The program provides grants of up to \$10,000 per CRC and is administered by the Department of Primary Industries and Regional Development.

Member for the Agricultural Region Hon Shelley Payne MLC said

“Regional communities rely on CRCs as a source of information and as a hub to access services”.

“Having appropriate technology at our CRCs is critical to support our regional community members”.

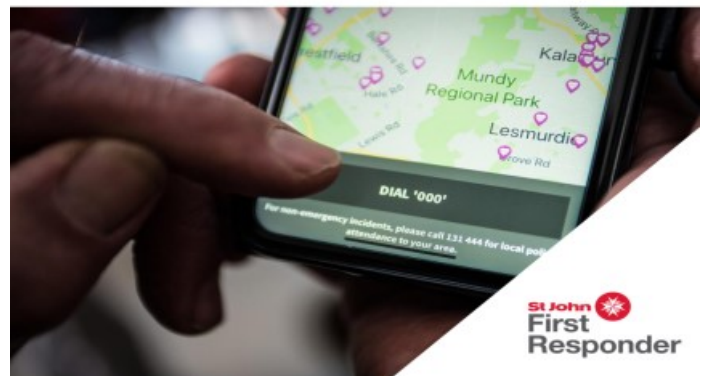

“It is great to see funding for these technological upgrades to help keep our regional towns connected.”

Regional Development Minister Don Punch commented: "CRCs are community-focused organisations which provide vital support to rural and remote residents and businesses throughout Western Australia.

"This initiative ensures that CRCs are well equipped with the technology to deliver modern services to people in their communities.

"The variety of projects highlights how community needs differ across areas. The local CRCs know their communities best in terms of making improvements that will deliver the greatest benefits for their stakeholders."

Shire of Cranbrook to save it for summer through Winter Sprinkler Switch-off

- Businesses and households in Shire of Cranbrook are required to switch off sprinklers from 1 June
- 60 billion litres of water saved across the State since 2010 - enough to fill Optus Stadium 60 times
- 80 per cent of people do the right thing and switch off for winter

Households and businesses in the Shire of Cranbrook are being asked to save it for summer during the annual Winter Sprinkler Switch-off.

The switch-off is a permanent water efficiency initiative requiring scheme and bore users to turn off garden reticulation from 1 June to 31 August, helping save precious water for when it's needed most.

Each year, this simple yet effective measure helps save more than 5 billion litres of scheme water. Adopting water-saving practices inside and outside the home is vital as the State continues to adapt to the impacts of climate change on water supply.

A recent survey by Water Corporation found around 80 per cent of customers do the right thing and switch off their sprinklers in winter.

Using sprinklers during the switch-off can result in a \$100 fine if witnessed by a Water Corporation inspector, or a written warning if reported by a member of the public.

With nearly 70 per cent of non-compliance related to switching off late or switching on early, people are being encouraged to act now.

Since being introduced in 2010, the annual Winter Sprinkler Switch-Off has saved around 60 billion litres of water - enough to fill Optus Stadium 60 times.

Hand watering is permitted during the Switch-off and some exemptions may also apply. In areas of Western Australia not subject to the Switch-off, normal watering rosters and daytime sprinkler bans apply.

Comments attributed to Member for the Agricultural Region Hon Shelley Payne MLC

"It is great to see the Shire of Cranbrook and its community is being proactive to save water this winter", she said.

"This is important to ensure water sustainability now

and into the future."

"I encourage other Shires across the Agricultural Region to consider participating in this great initiative in the future".

Comments attributed to Water Minister Simone McGurk:

"The cooler months are a great time to switch off and let the winter rain take care of our gardens, saving water for the warmer months when there is a greater need for sprinklers.

"With over 40 per cent of home water use in the garden, average households can significantly reduce consumption during winter, lowering their bill and contributing to a total saving of some 5 billion litres of water.

"I'm urging everyone, including the one in five who may have forgotten to switch-off in the past, to do the right thing and ensure your irrigation is off from 1 June.

"Water Corporation is continually planning climate resilient water sources for WA, but it's important that we all work together to ensure future generations continue to enjoy a secure, sustainable water supply.

Congratulations to Gareth and Sara Dowling on their new boy - Noah Dowling
Born 6th May at the beautiful Manjimup hospital.
Brothers - Zeke and Reuben very excited.

There will be limited services
available at the CRC
on
Wednesday 14 June 2023
due to the planned power
outage in Frankland River

Apologies for any inconveniences during this time.

Due to a last minute rush with enrolments, we are fully booked for the current AusChem course & having sourced additional dates are taking enrolments for the second course.

MAA18 AusChem Accreditation Skill Set 3rd & 4th August

Please enrol by 20th July 23.

Your place in this course will only be confirmed when we receive signed, completed forms, ID and payment

Learn the knowledge and skills required to manage risks associated with chemical use, and to understand your obligations in the areas of duty of care, quality assurance and environmental management.

Cost \$35.00 (resource fees) + \$75.00 (registration fee) = \$110.00 per student

For further information please call 9855 2310

Updates from TTC

Have you been keeping up with our court progress? The asphalt is down and the fence and net posts are scheduled to go up this week! Hopefully we might be able to have a hit of tennis at the AGM on Sunday 25th June. Please click on the flyer below or scan the QR code to RSVP your attendance at the AGM.

AGM 11AM
 END OF SEASON CELEBRATION LUNCH
 12 NOON
 RSVP HERE  
 Sunday 25th June at the club

The courts are looking great however we have encountered some major cost escalations. I can't begin to imagine the cost of this project without the volunteer hours of our members, especially Chris Tomlinson (President) as well as the generous donations from local businesses — Cranbrook Bulldozing, Riverhill Contracting and Great Southern Transport.

We had hoped that come next season, we would be financially well positioned to start upgrading courts 5 and 6 however that won't be the case. The Australian Sports Foundation has been on our radar for some time now, as a way of generating income for the club. They have been helping athletes and sporting clubs fundraise for more than 30 years. AND SO.....with courage and gratitude we ask for your help..... We have opened a fundraising page with the ASF, this platform provides sporting clubs the opportunity to receive **tax deductible** donations from their members, sponsors, friends and local businesses, a win-win for everyone We are grateful for any donation big or small, thank you.

An official receipt will be emailed to you shortly after your donation is made. Retain your receipt to substantiate your tax claim.

The club is in a great position to push on with these upgrades, with increased membership across all levels and with so many young families regularly attending, improved facilities will ensure we continue to provide a welcoming and safe place for our community to connect and play tennis. Your donation will ensure our vibrant tennis community continues to thrive in our unique bush setting for another 100 years.

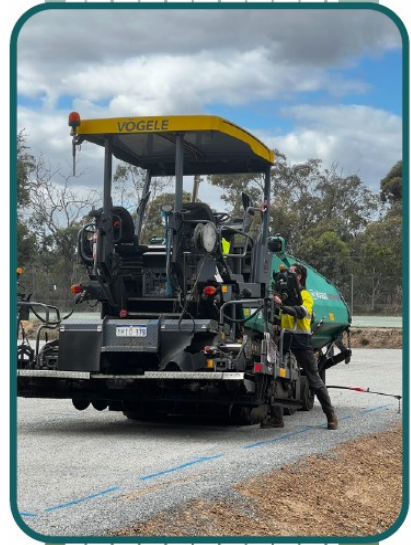

Thank you 

Click on the image to donate, thank you :)

Congratulations to McKayla Ettridge on being selected to play in the WA Fuel to Go & Play Netball Association Championships in Perth over the long weekend.

Starting out in squad training trials, McKayla was selected out of 100 girls to represent Albany in the under 14's.

More than 300 teams and 3,500 players took part in the biggest netball event on the WA Netball calendar.

Games were played across 43 divisions ranging from 12 and under and Junior Boys through to Masters Women.

Competition was fierce with the representatives from all over WA including teams from Singapore playing at the

Matthews Netball Stadium in the two-day event.
