**LOCAL GOVERNMENT ORDINARY ELECTION  
CLOSE OF ENROLMENTS  
Shire of Cranbrook  
ROLL CLOSE: 5:00 PM Friday, 25 August 2023**

You may be eligible to be enrolled to vote in the local government elections on 21 October 2023 if you live in or are an owner or occupier of rateable property in the Shire of Cranbrook.

#### **Residents**

You are automatically enrolled to vote if you are on the State Electoral Roll as at 5:00 PM Friday, 25 August 2023. If you are not already on the State Electoral Roll and meet the eligibility criteria, or if you have changed address recently, you must complete an enrolment form.

#### **Enrolment Forms**

You can enrol or update your details online, or download an enrolment form, via the Western Australian Electoral Commission website ([www.elections.wa.gov.au/enrol](http://www.elections.wa.gov.au/enrol)). Forms are also available from the Australian Electoral Commission ([www.aec.gov.au](http://www.aec.gov.au)). Enrolments and updates must be completed and received by 5:00 PM Friday, 25 August 2023.

#### **Non-Resident Owners and Occupiers**

If you are a non-resident owner or occupier of rateable property in the Shire of Cranbrook and are on the State or Commonwealth Electoral Roll, you are eligible to enrol to vote. If you are **not** on the State or Commonwealth Electoral Roll and own or occupy rateable property in the Shire of Cranbrook you may be eligible to enrol to vote. This applies if you were on the last electoral roll for the Shire of Cranbrook prior to May 1996 and have owned or occupied rateable property in the district continuously since this time. Please contact your local government for details. Owners of land who were on the last Local Government roll continue to retain that status until they cease to own the rateable property to which the enrolment relates. Occupiers do not have continuous enrolment and should contact the Shire of Cranbrook to confirm their enrolment status. To be eligible to enrol as an occupier, you will need to have a right of continuous occupation under a lease, tenancy agreement or other legal instrument for at least the next three months following the date of the application to enrol.

#### **Joint Owners and Occupiers**

If a rateable property is owned or occupied by more than two people, a majority of the owners/occupiers may nominate two persons from amongst themselves who are on either the State or Commonwealth Electoral Roll, to enrol as owner/occupier electors.

#### **Corporations**

A body corporate that owns or occupies rateable property may nominate two people who are on either the State or Commonwealth Electoral Roll to enrol as owner/occupier electors.

#### **Enrolment Forms – Non-Resident Owners and Occupiers Only**

Enrolment forms can be obtained from local governments and must be lodged with the Chief Executive Officer by 5:00 PM Friday, 25 August 2023. Further information can be obtained from the Shire of Cranbrook.

## AGRONOMY

Tim & Andrew, whilst not busy in the field have been attending trial sites across the state with other Agronomists from across the Nutrien network. They have also alongside Chloe Casson attended the Pioneer Seeds Australia Optimum Gly launch, an exciting insight into new varieties coming in 2024!

Thankyou to our Viticulture clients who came along to our annual update which was held in Denmark this year. We had an informative session with guest speakers from across the industry followed by a distillery tour at 'The Dam' and then a few holes of golf. It was a great day and we hope you all found it interesting.

## VIITICULTURE

Chloe & Chloe have attended the 2023 Agsafe Stewardship Conference & Awards night where Frankland Rural received a Highly Commended Award in the National Outstanding Premises Exhibiting Safety & Stewardship category. It was an opportunity to engage in professional development, network with suppliers and industry leaders and gain valuable information on the safety of storing, handling and transporting AgVet chemicals, waste management initiatives and sustainability.

Lego Club is back this month on Wednesday the 30<sup>th</sup> at 2.30pm, we will continue to finish our creations and spend some time playing with the already completed train, foosball table and cars. I am still amazed by the apps available now to control the Lego creations and the digital instructions for building with the Lego. Thank you again to the Backyard Cricket Grant for allowing us to provide Lego Club. Ring now to book your kids in for an afternoon of fun and creativity.

There is still a couple of spots in our upcoming First Aid course. Enrol now to get and complete your training in a single day. You never know whose life you could save!

I will be away on leave the first week of September, Lani and Brenda will hold down the fort Monday to Thursday, we will be closed on Friday the 8<sup>th</sup> of September.

Have a great fortnight,

### Recipe's

#### Lemon, ginger and coriander chicken with potatoes and slaw

**Ingredients** - 750g new potatoes, thickly sliced, 1 tbsp coriander seeds, finely grated zest and juice 1 lemon, 20g ginger, finely grated, 2 tbsp olive oil, 4 chicken legs, 2 carrots, 100g radishes, 2 tbsp mayonnaise, 2 tbsp Greek yogurt, 25g coriander, roughly chopped

**Method** - Step 1 - Heat the oven to 200°C fan/gas 7. Spread out the sliced potatoes evenly in a large roasting dish. Crush the coriander seeds using a pestle and mortar, then stir in the lemon zest, ginger and oil.

Step 2 - Season the chicken with salt, then coat with the oil mixture, pushing some under the skin. Sit the chicken on top of the potatoes, skin-side up, and roast for 35-40 minutes, until the potatoes are tender and the chicken has crispy skin and is cooked through.

Step 3 - Meanwhile, grate the carrots and finely slice the radishes. In a large bowl, combine the mayonnaise, yogurt and lemon juice and season well. Stir through the carrots, radishes and coriander until well combined. Serve the slaw alongside the chicken and potatoes.

**HANDY TIPS** - Herb stalks contain just as much flavour as the leaves (if not more) - just chop them a little finer and you can include them in your slaw or stir them into the chicken marinade. Use a mixture of chicken thighs and drumsticks rather than whole legs if you like. You can also make this dish with skin-on chicken breasts; just reduce the cooking time to 30 minutes.

### Garden tips

Before the growing season gets into full swing, just about everything will appreciate a good dose of fertiliser.

Blood and bone and dynamic lifter are perfect for Australian natives. Just throw a handful over every four square meters. Dig compost and manure through the veggie patch and soluble fertilisers to any veggies that you already have planted.

**Book Week - Author Visit 28/8 & Dress Up Day 29/8 Author Visit**

Thanks to the Frankland River CRC, Stig Wemyss is visiting our school on Monday 28th August. Stig often narrates books which have a fantastic range of 'Dads' in them. His latest story is about a Dad who packs his family into the car for a driving holiday around Australia, where they uncover a koala-poaching ring, enter the mysterious Nullabor triangle and then head to the rough roads of the Pilbara.

**Dress Up as Your Dad**

This inspired us for Book Week this year. We would love to see all our students **dress up as their Dad on Tuesday 29th August.**

We won't be having prizes but look forward to having lots of fun seeing everyone dressed up as their Dad (crazy dad, fishing dad, motorbike dad, sporty dad etc.)

**Kodja Place Excursion**

Our students travelled to Kojonup to watch a performance of Lingo Lah Lah by the Yirra Yaakin Theatre Company, followed by a trip to Kodja Place.

The students completed a range of activities including:

- Having a guided tour of the Kodja Place
- Enjoying Billy Milo and Damper
- Participating in face painting and completing a craft activity

The students greatly enjoyed the excursion and learned more about Noongar culture and language. Student behaviour was excellent, with lots of positive comments made about our students, with one of the Kodja Place staff referring to both students and staff as, 'a joy to have visit'. Thanks to the staff and bus drivers who took the students on the excursion. Excursions are big days for everyone involved, but so worthwhile completing!

**Faction Athletics Carnival - Get Set!**

Our Faction Athletics Carnival is planned for **Friday 1st September**. Students have started training and are getting ready to have a fun day. Our friendly P&C will be catering for lunch so be sure to return your lunch order by **Thursday 24th August**.

We are looking for parent volunteers to assist on the day. If you can help, please contact the school on 9855 0500 or complete the form below which can also be found on our website.

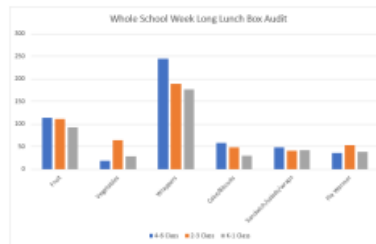

**Sustainability – Lunchbox Audit**

As part of our Healthways grant, we conducted a lunch box audit with our students during Week 2. Students sorted their lunch according to the following items:

- Fruit
- Vegetables
- Wrappers

Homemade cake/biscuits etc.  
Sandwiches, salads, wraps etc.  
Pie Warmer

The results of our lunchbox audit are below.

	Fruit	Vegetables	Wrappers	Cake/Biscuits	Sandwich/salads/wraps	Pie Warmer
4-6 Class	114	19	245	58	48	36
2-3 Class	111	65	190	48	41	34
K-1 Class	93	29	177	30	42	36

Throughout our Healthways project, we will be teaching students about the importance of eating fruit and vegetables and reducing waste. This week students have commenced harvesting their school grown broccoli and got to taste it raw before making the broccoli and pesto soup. There were mixed reviews on the raw taste!

**Kids in the Kitchen - Carrot Stars**

This term in sustainability, students are trying to get their summer veggies a kick start by planting them in "mini hot houses". On Wednesday, we cut empty 2 and 3L plastic containers in half, filled them with compost and planted seeds like corn, tomatoes, beans, cucumbers and eggplants in them. We then covered them with plastic bread bags to create a nice warm environment. Hopefully we will be transplanting them out into our garden beds towards the end of this term, ready for the warmer Spring days!

Student's will be attempting to make the loudest crunch as they eat some fresh vegetables!

A huge **THANK YOU** to those who donated their time, this past Sunday afternoon at the Frankland River District Country Club.

I must say, I was a little nervous, as I didn't know what to expect, what I wanted to achieve or if anyone was going to show up.

I was blown away when members of the community started to arrive and hoped I had brought enough food for the BBQ!

They arrived with shears, rakes, mowers and wheelbarrow's; all the toys were there. (Especially when Julie arrived)

There was a hive of activity for 3 hrs, with lots of laughs and a great group of people! Finished off by a BBQ and rewarding beverage or 2.

Cheers Lani

### Cranbrook Police News August 2023

I can't believe that Cat has been here for four months already, where does the time go? I'm so happy that she and her family have made themselves comfortable in Cranbrook, are building friendships and enjoying life in the Great Southern.

Last week we spent a day in Kojonup participating in a combined traffic action, supported by Albany Traffic. For the day we achieved a combined total of 480 random breath tests, several speeding infringements and a drug and vehicle seizure. Days like these are a great opportunity for Cat and I to build up our traffic skills with neither of us previously having a road policing background.

Unfortunately, we are gaining significant experience attending crashes, with three separate serious crashes having occurred on the Albany Highway over the past several weeks. It is not a coincidence that all of these have occurred just south of Tunney which is referred to as a "fatigue band" for drivers heading to Albany from Perth. Please discuss this concept with your friends and family and act to avoid the results of fatigue. This could include regularly swapping drivers, not driving after a full day of work, avoiding driving when you are normally sleeping and taking regular breaks.

Aside from that we have had a busy couple of months. While Cat was on leave in July I executed three search warrants within 7 days at addresses in

Tenterden and Frankland River. Thankfully, our colleagues in Kojonup, Albany, Gnowangerup, Tambellup, Mount Barker, Albany Police Station and Albany Detectives were more than happy to come up and assist me with these jobs over the week.

Two of the warrants related to burglaries that had occurred in Tenterden, Kebaringup and Amelup in July. As a result of these warrants a female person has been charged with five counts of receiving and other drug related offences and approximately \$30 000 worth of property was recovered.

In brighter news, we will be at the Frankland River Primary School on Friday evening the 25 August 2023 for their Blue Light Disco. Hopefully all the kids have their crazy hair and outfits ready as we are looking forward to seeing everyone there.

Kind regards  
Nat and Cat

## Local Government Reform

# Voting in the October 2023 Local Government Elections

The State Government is putting into action the most significant reforms to the local government sector in 25 years. The reforms will increase the transparency, accountability and efficiency of local government in WA.

One of the key reforms is the change from 'first past the post' system of voting to optional preferential voting (OPV).

This change will be introduced for the October 2023 local government elections which will now be in line with state and federal elections.

OPV will strengthen democracy by giving ratepayers a greater choice of candidates.

You can find more information about the reforms to the local government sector on the DLGSC website at [www.dlgsc.wa.gov.au/lg-act-reform](http://www.dlgsc.wa.gov.au/lg-act-reform) or use this QR code.

### How to vote under the optional preferential voting system

It is really easy and it is all about choices – your choices. Just imagine there are three candidates. You can:

#### 1 Vote for just one candidate

Just put a number 1 next to the name of that candidate.

SMITH, John

DOE, Jane

CITIZEN, Neville

#### 2 Vote for some

Just put a 1 next to the name of the candidate you like best and a 2 next to your second choice.

SMITH, John

DOE, Jane

CITIZEN, Neville

#### 3 Vote for all

Put a 1 in the box for the candidate you like best and then a 2 for your second choice and a 3 for your third choice. If there are more candidates you just keep numbering if you want.

SMITH, John

DOE, Jane

CITIZEN, Neville

# Local Government Reform Stronger local democracy

The State Government is introducing the most **significant reforms of local government** in 25 years.

These reforms will strengthen the transparency, accountability, and efficiency of local governments, enabling stronger local democracy while ensuring a better response to the needs of ratepayers and residents.

Some of these reforms will have a direct impact on voting in the October 2023 local government elections.

You will find details of the reforms on the Department of Local Government Sport and Cultural Industries website at [www.dlgsc.wa.gov.au/lg-act-reform](http://www.dlgsc.wa.gov.au/lg-act-reform) or use this QR code.

**2023 Elections**

- Optional Preferential Voting (OPV)**  
Bringing local government elections in line with state and federal elections will result in making council more representative and responsive to ratepayers.
- Direct election of Mayors and Presidents by residents in larger local governments**  
Strengthening local democracy by giving rate payers the choice to elect the council leader.
- Changes to council representation**  
Council representation to be aligned to the population of the district and the removal of wards for smaller councils.

### MAINTENANCE GRADING

Maintenance grading is continuing on the Shire’s gravel roads and bitumen edges. Be aware that heavy plant could be on your road. Please slow down and drive to the conditions of the road. Any queries contact the Shires Manager of Works on 9826 1008.

### Outdoors Great Southern to host the 2026 World Trails Conference in Albany, Western Australia

The World Trails Conference takes place every two years in a different location around the globe. The international trails industry will come together in 2026 in Albany, Western Australia.

Attended by trail experts, trail managers, enthusiasts and academics. The international platform will put the trails of the Great Southern, yet still relatively unknown on the world stage, to the forefront of the industry. The conference is timely for Albany as 2026 is the bicentennial year for the city, and the first bicentenary for a Western Australian city.

“We are delighted to be hosting the World Trails Network conference in Albany,” “The World Trails Conference 2026 is a terrific opportunity for the entire Great Southern Region and for Outdoors Great Southern. We are thrilled to be hosting the event.” Simon Webb, CEO of Outdoors Great Southern. *Outdoors Great Southern is a not for profit organisation that works collaboratively to promote and support outdoor recreation and the trails industry. More information to come.*

## 78 Country Libraries Receive Much-Needed Grants

The LBW Trust, in collaboration with Friends of Libraries Australia (FOLA) and Harvey Norman, are pleased to announce that 78 country libraries throughout regional, rural and remote Australia are the recipients of much-needed funding through the Trust's 2023 National Backyard Cricket (NBYC) campaign.

\$110,126 was distributed to 78 libraries (NSW 29; QLD 4; SA 13; TAS 5; VIC 8; WA 19) for projects ranging from establishing a Seed Library; holding mindfulness meditation workshops; introducing a Story Dog program; educational programs to increase digital literacy; Aboriginal cultural education events; a summer reading challenge; and a teenager led STEM Club *The Innovation Station* to run weekly at Broome Public Library in Western Australia.

Frankland River Library was one of the 78 libraries to receive a National Backyard Cricket Grant. The library received \$1500 funding which was used to purchase Stem based Lego supplies to initiate a Lego Club. "We are so grateful to receive this funding from National Backyard Cricket. It makes a huge difference for small, rural communities such as ours," said CRC Manager Teresa Lawson, who made the initial application.

"Backyard cricket holds a special place in Australia and it is wonderful to be able to combine our love of cricket with supporting country libraries" says NBYC Chair Marek Ristwej.

"Funding has been made possible by the generous donations of individuals who participated in 2022/2023 NBYC events, plus great support from retailer Harvey Norman and LBW Trust supporters. We are delighted to be able to fund all 78 applicants! We look forward to seeing their projects come to life and the difference they will make in their community."

FOLA President Jack Goodman says "Country libraries are at the heart of the community, providing havens where people of all ages and backgrounds can come together to share ideas, learn new skills and connect with each other. These grants are another example of the exceptional projects being run by Australia's under-funded and under-valued country public libraries."

Chief Operating Officer & Executive Director at Harvey Norman Holdings Ltd John Slack-Smith says "We are very proud to be supporting Australian country libraries. With 65% of Harvey Norman Franchised

complexes located in regional Australia, we proactively support important initiatives such as this that help small communities gain further access to the technology they need to thrive and connect within their community."

### About Us – The LBW Trust

The LBW (Learning for a Better World) Trust believes that everyone deserves an education, and every student deserves to realise their potential and create their own future. Established in 2006 we have supported more than 15,000 disadvantaged students in cricket-playing developing nations to receive a tertiary or vocational education. We have also supported more than 150 country libraries throughout Australia to help them deliver projects within their community.

Through partnering with reputable and well-established NGOs and educational institutions, we currently support over 2,500 students in developing countries including India, Sri Lanka, Nepal, Kenya, Tanzania, South Africa and Indonesia.

Education empowers and improves lives - directly benefiting the student, and their family, and enabling them to become an agent for change. When these students graduate, we hope that they will play an important role in shaping the future of their communities and nations.

Through National Backyard Cricket events we bring communities together to raise vital funds for country libraries throughout Australia to help them deliver projects within their community.
