Managers Report

I hope everyone is having great school holidays, I can't believe it is October already, hopefully the sunshine isn't far away.

Our Smart Home display is up and running in the CRC if you would like a demonstration of the products please pop in and see us, we would love to show you how everything works and how easy it is to set them up. A huge thank you to DPIRD for the grant that allowed us to show case these products and the benefit they can be to our community. We have a second group session to showcase the products on Wednesday the 18th of October from 1.30 to 3pm, with afternoon tea included, thanks to Be Connected and the Get Online Week grant we have been able to ad some additional products tour display.

Our Photo competition is underway with all the photos on display in the CRC, there are some amazing photos, pop in and have a look over the next week and vote for your favourites. There are amazing prizes up for grabs.

Our twilight market is this weekend in front of the new playground 3pm to 6pm Saturday afternoon, the photos will still be on display with voting available for your favourites. Come down and support the locals who have stalls organised, the weather is meant to be amazing so it should be a great afternoon. Then move into the Country Club grab a wonderful meal and enjoy the live music being provided by Dig the Dust. The Bloom Festival is a great opportunity to enjoy all the attractions and offerings of the Great Southern and this is a great opportunity for us to showcase ours.

There is only a couple of doctor visits for this year so if you need prescriptions or check-ups please remember to book in and support the service of having the doctor come out to us. Remember that appointments are all bulk billed for anyone holding a current Medicare card. Thank you to the Shire of Cranbrook for providing this service to our community.

Our Golden Feather Hunt is underway in the library with lots of feathers hidden throughout the kids' books, bring the kids in and grab a great read and perhaps they will find a feather to colour or even one of the special feathers that wins a prize.

The referendum is coming up and then the Local Government elections the following weekend, voting is available both weekends at the CRC and early voting is available for the local Government election from 9am to 3pm from Monday the 16th to Friday the 20th. Please remember to come in and vote and support your local candidates.

We have a lot on this coming month so please remember to check our social media pages for the latest info. If you have registered for the Skippers ticket, please get your enrolments and payments in asap.

Recipe's

Easy Spaghetti Marinara

Ingredients - 350g spaghetti, 45g canned anchovy fillets, 4 cloves garlic crushed 1/2 tsp dried chilli flakes, 1/2 cup dry white wine (optional), 810g canned crushed tomatoes, 400g seafood marinara mix, 290g Italian style salad kit, 1/3 cup continental parsley, chopped

Method -

Step 1 - Cook pasta in a saucepan of boiling, salted water according to packet instructions. Drain

Step 2 - Meanwhile, place anchovies, including oil, in a large, deep frying pan over medium-high heat for 1 minute. Add garlic and chilli, then cook, stirring, for 1 minute or until fragrant. Add wine, if using, then bring to the boil.

Step 3 - Add tomatoes and bring to the boil. Reduce heat to medium and simmer, uncovered, for 5 minutes to allow flavours to infuse. Add seafood, then cook for 4 minutes or until seafood is just cooked through. Add pasta and toss to coat.

Step 4 - Meanwhile, prepare salad according to packet instructions. Scatter parsley over pasta, then serve with salad.

Garden Tips

Not sure where to start when it comes to planning a garden?

Here are some handy tips to get you on your way to growing some delicious produce.

Select a Sunny Location - Vegetable plants thrive in sunshine, An area that is in full sun and away from trees and shrubs is ideal.

Begin with a Small Garden - begin with a small garden for the first year. A small vegetable garden can provide plenty of fresh harvests.

Start with Good Quality Soil - Soil is the foundation to a healthy vegetable garden. A successful garden depends on good, loamy soil that is filled with organic matter and nutrients.

Decide Which Vegetables to Grow - The ideal planting date for each vegetable varies, depends on the weather, Follow the recommended plant spacing specified on the seed packages. Note the mature size of each plant and allow enough space between them for development.

Lastly, develop a garden map. This will help you see where everything will be located and how much space each plant needs.

Interschool Carnival

Well done to our competitors at the Interschool Carnival last Friday. Despite the blustery conditions, our students demonstrated some fantastic individual and team performances. I was especially proud of our students' efforts in the team games. This was an area that we really focused on, and the extra time devoted to fundamental movement skills, including catching and throwing during physical education, morning fitness, run club and incidental moments during play helped greatly. Thank you to our staff for leading the way with this and prioritising physical skills as part of our teaching and learning programs

Some highlights included Lilly Budd and her outstanding 400m run, Ebony Clode and her flag race, Cameron Hooper with his turbo javelin win on his last throw and both the senior girl and senior boy leaderball events. The seniors practised particularly hard in the lead up to the carnival and it was great to see their efforts pay off. I was very proud of their amazing efforts and the way they supported and encouraged each other. Well done also to our three Pre-Primary students; Anna Argyle, Torah Preston and Elsie Corry who attended their first interschool athletics carnival, with Anna taking on a leader role in our junior girls' team games. It can be a long day and these three students handled it very well.

Thank you to all our parent volunteers who assisted on the day. Our parent volunteers are a wonderful support to our school. A special thanks Elizabeth Smith who has confidently and capably coached our students in triple jump over many years and donated her time to act as

the triple jump official at both faction and interschool carnivals. We will miss Elizabeth's guidance in future years.

Thanks also to Josh Warburton for transporting the shade structures, and to Aaron Johnston and Paul Hopkinson who helped to reinforce our shade structure when the gusts of wind got quite strong!

As part of our Business Plan, and based on recommendations from our last school review, we have been working very hard to embed Aboriginal and Indigenous perspectives into our classrooms to enrich student learning. One way we do this is to access knowledge from local Elders. On Friday 13th October, Larry Blight will be running workshops for our students. Larry Blight from Kurrah Mia is a Menang man. He last visited our school in 2017 and some of our older students have previously worked with him in conjunction with the Gillamii Centre. He has extensive knowledge of local bushfoods, medicines, fauna, local stories and traditions. Larry has been passing on this knowledge through cross-cultural awareness workshops, Aboriginal tourism, school educational workshops and more. Larry has helped on archaeological digs and research. His passion to understand and to share not only "what", "where", and "when", but also "why", "how", add dimension and often humour as he tells stories of the Menang people and their history. Larry is experienced at making traditional tools using natural products and techniques passed down from his ancestors.

We will be walking to the bush reserve on Trent St to look at bush foods and medicine found in our local area. Families are welcome to come along and learn with us. Just remember that parents will need to sign the '[parent declaration form](#)' and other family members will need to have obtained a 'Working with Children Check' prior to attending.

The cost for this incursion is: \$17.50

This includes a sausage sizzle and fruit and vegetable platter lunch. If families need financial support for their children to participate in this incursion, please contact the school so we can help.

Payment and permission forms need to be returned by Wednesday 11th October.

As we will be walking in the bush reserve on Trent St (where we hold our Faction Cross Country), parents will need to complete a permission form.

Local Government Reform

Voting in the October 2023 Local Government Elections

The State Government is putting into action the most significant reforms to the local government sector in 25 years. The reforms will increase the transparency, accountability and efficiency of local government in WA.

One of the key reforms is the change from 'first past the post' system of voting to optional preferential voting (OPV).

This change will be introduced for the October 2023 local government elections which will now be in line with state and federal elections.

OPV will strengthen democracy by giving ratepayers a greater choice of candidates.

You can find more information about the reforms to the local government sector on the DLGSC website at www.dlgsc.wa.gov.au/lg-act-reform or use this QR code.

How to vote under the optional preferential voting system

It is really easy and it is all about choices – your choices. Just imagine there are three candidates. You can:

1 Vote for just one candidate

Just put a number 1 next to the name of that candidate.

SMITH, John

DOE, Jane

CITIZEN, Neville

2 Vote for some

Just put a 1 next to the name of the candidate you like best and a 2 next to your second choice.

SMITH, John

DOE, Jane

CITIZEN, Neville

3 Vote for all

Put a 1 in the box for the candidate you like best and then a 2 for your second choice and a 3 for your third choice. If there are more candidates you just keep numbering if you want.

Local Government Reform Stronger local democracy

The State Government is introducing the most **significant reforms of local government** in 25 years.

These reforms will strengthen the transparency, accountability, and efficiency of local governments, enabling stronger local democracy while ensuring a better response to the needs of ratepayers and residents.

Some of these reforms will have a direct impact on voting in the October 2023 local government elections.

You will find details of the reforms on the Department of Local Government Sport and Cultural Industries website at www.dlgsc.wa.gov.au/lg-act-reform or use this QR code.

2023 Elections

- Optional Preferential Voting (OPV)**
Bringing local government elections in line with state and federal elections will result in making council more representative and responsive to ratepayers.
- Direct election of Mayors and Presidents by residents in larger local governments**
Strengthening local democracy by giving rate payers the choice to elect the council leader.
- Changes to council representation**
Council representation to be aligned to the population of the district and the removal of wards for smaller councils.

MAINTENANCE GRADING
Maintenance grading is continuing on the Shire’s gravel roads and bitumen edges. Be aware that heavy plant could be on your road. Please slow down and drive to the conditions of the road. Any queries contact the Shires Manager of Works on 9826 1008.

SEEKING EMPLOYMENT – FULL TIME / LONG TERM COMMITMENT FARM HAND / OVERSEER

I am looking to find a new job opportunity in the farming industry, I have over 27 year of experience ranging from Seeding, Harvesting, Managing Spray programs, People Management and experience in vehicle maintenance and welding. I have a knack for problem solving and work well independently as well as in a team. I have excellent leadership and communication skills.

I am highly dependable, trustworthy, and efficient in my work duties, and enjoy living in rural communities. I have experience with a wide range of farming machinery. I have a HC Truck License as well as Forklift. I also have a AusChem Certificate.

Given my background and love for farming operations, I feel I am in a great position to make a positive impact with any company.

My current employer is retiring and selling the farm, I have committed myself to finish off this season with them, therefore I will be available to start early next year for the beginning of the 2024 seeding season.

You can contact me on my mobile or via email and I can forward you, my resume.

We would like to take this opportunity to extend a grateful note of thanks to our annual advertisers who continue to support your local community paper with their paid advertising; some of these have been with us since inception of the local rag in early 1998.

This assists us with production costs and allows FREE fortnightly circulation to residents in our district. Thank you all.
