From the Principal's desk....

Over the last few weeks, your children have completed a range of standardised assessments. This helps us to track and monitor student progress and achievement. It has been pleasing to observe the progress our students have made and as a staff we have enjoyed celebrating some wonderful progress towards individual learning goals. It also allows us to reflect on the effectiveness of our teaching and learning programs. We look at both our school based and NAPLAN data to determine areas of focus at both and individual and cohort level.

School Concert and Presentation Night – Wednesday 13th December

Our School Concert and Presentation Night will be held on Wednesday 13th December at Frankland River Primary School. Students in Kindy to year 6 will be performing a whole school item which is an adaptation of the book, “Uno’s Garden” called 'Frankie's Garden'. Miss Roberts has once again kindly adapted and innovated the story for our school. Final details including start time will be confirmed in the Week 9 newsletter and teachers will notify you about specific costume requirements in due course.

Cricket Clinic

Last Wednesday, our P-6 students participated in a Cricket Clinic. Students got the opportunity to practise catching, throwing, batting, and bowling through fun and engaging games and activities. It certainly created lots of enthusiasm for lunch time cricket as well!

Book Fair

Huge thanks to Ms A for once again organising our Book Fair. It’s always great fun to have a ‘book shop’ visit the school. Thanks to the Frankland River Playgroup for supporting our book fair and to all the families who made a purchase and to our super office staff for processing sales and for problem solving on the run!

We hope that you enjoy the books you purchased, we are hoping they arrive next week for distribution to families. As a result, our school will receive approximately \$270.00 worth of new books for the Library.

Book Fair feedback is most welcome to help with future planning.

School Board Representative – 2-year term

If you are interested in providing advice and guidance to our school to help us achieve the best outcomes for our students, I would love to hear from you.

Meeting dates and times can be flexible and are determined at the commencement of the school year. Please contact me if you would like further information about the role of parent representative.

Nominations are required by Monday 27th November.

Sustainability Update

During our sustainability session this week, our students worked with Mrs Zur and Ms A to plant some bush tucker plants. These were purchased through our Healthways grant, and we hope that we will be able to use them for cooking as well as to supplement our 'Crunch and Sip' program. Over the next few weeks our students will look after our new plants to make sure they become established.

Celebrating a special occasion?

If you would like to send congratulations, share the birth of a new addition to the family, post birthday wishes, celebrate an engagement, wedding, anniversary or special achievements we would love to hear from you!

Recipe's

Coconut satay chicken noodle bowl

Ingredients

450g fresh hokkien noodles, 1 lemongrass stalk (white part only), finely chopped, 2cm piece fresh ginger, peeled, finely chopped, 1 1/2 tbsp peanut oil, 4 x 150g chicken breast fillets, 2 eschalots, finely chopped, 2 garlic cloves, finely chopped, 1 long red chilli, seeded, finely chopped, plus extra sliced chilli to serve, 1/2 x 270g jar Yeo's Satay Sauce, 165ml can coconut milk, 1/2 tsp sesame oil,

1 Lebanese cucumber, peeled into ribbons, 2 tbsp chopped unsalted peanuts, to serve, Fresh coriander sprigs, to serve

Method

Step 1-Prepare noodles following packet directions. Drain.

Step 2-Meanwhile, combine lemongrass, ginger and 2 teaspoons peanut oil in a glass or ceramic bowl. Add chicken. Rub to coat.

Step 3-Heat a large frying pan over medium heat. Cook chicken for 3 to 4 minutes each side or until cooked through. Transfer to a plate. Cover to keep warm.

Step 4-Heat remaining peanut oil in pan over medium-high heat. Add eschalot, garlic and chilli. Cook for 4 minutes or until onion has softened. Add satay sauce and coconut milk. Bring to the boil. Reduce heat to low. Simmer for 5 minutes or until slightly thickened. Remove from heat. Stir in sesame oil.

Step 5-Slice chicken. Divide noodles and cucumber among 4 bowls. Top with chicken. Spoon over satay sauce. Sprinkle with peanuts, extra chilli and coriander. Serve.

Garden tips

Looking for an inexpensive Pesticide?
Give Epsom salt a try!

It can be used as an effective pesticide for gardens. You can create a pest-repelling spray by dissolving one cup of Epsom salt in five litres of water and applying it to afflicted plants. It's particularly useful against slugs and beetles. Alternatively, sprinkling Epsom salt around the base of plants on a weekly basis not only deters pests but also enriches the soil with magnesium, improving nutrient absorption by the plants.

Community Bank
Tambellup Cranbrook

Community Bank Tambellup Cranbrook will be 25 years in 2024, A little history on your local Community Bank

History: Community Banking was first established in June 1998 in the Victorian towns of Minyip & Rupanyup. Small country towns were losing their banking services and an enterprising businessman, David Matthews, contacted Bendigo Bank to see if they would fill the void. Robert (Rob) Hunt, General Manager of Bendigo Bank viewed the establishment of a Bendigo Bank Branch as being too difficult however, negotiations were started to partner with the community in providing banking services. The rest is history, as Community Banking was established.

In 1998, the Tambellup Shire co-ordinated public district meetings to try and establish some form of Banking at Tambellup. Vicki Brown of Tambellup approached Jan Pope of the Cranbrook Shire to see if Cranbrook was interested in a joint venture of Banking which would be in Partnership with Bendigo Bank. They co-opted Mr Max Trenorden, MLA in the WA Court Government and he went East to approach Bendigo Bank regarding them coming to WA. The response was positive and in March, 1999, Mr Russell Jenkins, Mr Simon Cornwell and Mr David Matthews came to WA and along with Mr Trenorden visited some 20 communities who were interested in establishing Community-owned branches of Bendigo Banks in Western Australia.

Four Communities were prepared to establish a Community Bank, with Tambellup Cranbrook being a mirror of the original Community Bank in Victoria with, in fact, similar populations and farming activities.

Tambellup Cranbrook Community Bank of Bendigo Bank was now a reality.

The Steering Committee was Chaired by Mr Greg Mengler, Secretary Mrs Jan Pope, Treasurer Mrs Vicki Brown. The committee was made up of Mr Peter Jefferies, Mr Brian Taylor, Mr Campbell Taylor, Mrs Marvina Hull, Mr Adrian Bridge with attendance by Mr Simon Cornwell and Mr Russell Jenkins of Bendigo Bank. Mr Jenkins was a Director of our Board in the early stages of our Company being established before resigning and his position being filled by Mr Simon Cornwell. The Steering Committee saw the Community Banking process as an opportunity to harvest funds for our community that would have, under existing banking practices, been lost to our community.

Operating Principals of Tambellup & Cranbrook Community Bank Branch of Bendigo Bank:

The core Principal of the establishment of the Community Bank was three-fold.

- ◆ To provide the Communities of Tambellup and Cranbrook with a viable and secure Banking service.
- ◆ To return a Dividend to Shareholders who invested their funds in the business
- ◆ To return funds back to our Communities, in keeping with the ethos of Community Banking

The Community Company is managed by a Board of Directors, elected by nomination from the community on a voluntary basis, that is: Directors do not receive remuneration. (as voted at the AGM by Shareholders). The Community Company provides the premises, pays the staff and all the operating expenses of the business. Other long-established Board practices include:

- Funding provisions made for future Franchise Agreement fees.
- Repair & replacement funds being set aside each month.
- The Board votes on the Dividend payment each year in accordance with our financial situation at the time.
- Policy of supporting organisations within our Shires and supporting major projects in partnership with our Shires.
- A working relationship with the Mt Barker & Albany Community Banks to support events that covers all the regions.
- New Directors are encouraged to attend meetings before the AGM and their election to get a feel for the position.

In 2024 we Celebrate 25 years in your communities of Tambellup & Cranbrook.

FRANKLAND DISTRICT COUNTRY CLUB

Code of Conduct

The Frankland District Country Club Inc. pledges itself to responsible server practices and to avoid disturbing the amenity of the local area by respecting the right of neighbors and encouraging customers to do the same.

Under clause 50 of the club constitution the committee shall have full power to suspend or expel any member of the club in the event of that member behaving in a manner likely to impair or affect the enjoyment of the club by other members. The mode of suspension or expulsion is contained in clause 50 and the right of the member to appeal is also outlined in clause 50 of the Club constitution.

The constitution and rules of the club requires a member's guest to abide by the same rules as applies to members.

Any member of the public that is not a member or a guest of a member of the Club will not be allowed to be served at the bar and would be asked to leave. Membership details would be supplied to any member of the public requiring information about the qualifications to become a member under the terms of the club constitution.

The club, through its committee of management, will set and maintain dress and behavior standards. Dress standards will be clearly advertised in the bar area.

To maintain the standards as required under the terms of the constitution the club would maintain a firm stance in identifying and removing unruly behavior and drunkenness.

- (a) Once a member or guest has been identified, as becoming intoxicated under the term of the licensing requirements the club staff will limit then stop service to the member. Members entering the club in an intoxicated state will not be served.
- (b) All persons under 18 years of age are not admitted as ordinary members and not allowed access beyond a point 2 meters from the bar. Junior members and other persons under the age of 18 years as a member of an affiliate club are allowed access to the club premises in the company of a responsible adult member from the affiliate club, as are underage children of the club.

No persons under 18 years will be served alcohol or be permitted to bring alcohol onto the licensed areas of the club. Non-members will be asked about age as well as membership status when approaching the bar. No person under the age of 18 will be admitted as an ordinary member, no person under 18 years old will be served alcohol. This is non-negotiable, non-exemption practices of the club.

The Frankland District Country Club Inc. has identified four areas of its patron care:

- 1.) The club facility - we have worked with local, health and licensing authorities to build and maintain the bar and kitchen area to meet the standards while being able to develop core operational functions. The Club facilities will be upgraded and changed as members needs change, but with the full knowledge of the various licensing authorities.
- 2.) Drink driving and our members - stricter policing if the road rules has impacted on the businesses of clubs, we will continually look to identify ways so that each member can happily utilise the Club facilities without risking their livelihood with excessive alcohol consumption. The promotion of food services and responsible drinking initiatives will be highlighted in club services.
- 3.) Local community - The club must first look after its members and make sure we provide the services they require. The club is conscious that it is seen as a community team player, we need to be seen by our members as active in the community as a way of them being supportive of our efforts with returned business. The club will work with other businesses and its neighbors to ensure a very harmonious relationship.
- 4.) The Club provides food and snacks for its members. The club stocks and prominently displays specialised non-alcoholic drinks for sale.

The Frankland District Country Club Inc. maintains an Approved licensed manager amongst its ranks and that person is responsible for training all staff members. The club provides all recourses to easily allow staff to undertake the necessary training. The responsible server practices as set out by the director are discussed and interpreted by the approved manager with participation of all staff members on a regular basis.

The first half of the tennis season is all about coaching and cardio tennis— assisting everyone to get back out on court.

We have loved welcoming Megan Henry back to the club for our SunSmart Cardio Fridays.

We have three Saturday coaching sessions left, adults are welcome to join in and pay on the day. There's a relaxed vibe at the club while harvest is underway, loads of mums and kids playing social tennis.

We would love to see you.

Frankland River Bowling Club

Our Bowling Season has opened for the 2023/2024 season.

First game of the season, Frankland River travelled to Cranbrook to try to win back the 'Gun'. Three teams went over to compete but unfortunately Cranbrook retained the 'Gun' for another year. Fierce rivalry between the two sides was played in fun with a relaxed comradery. Afternoon tea was put on and as usual was great with a few coldies (skippers provided).

Frankland River were successful in applying to Bowls WA to allow Ladies to play in Men's Pennants sides under the small club 'banner'. This banner is to keep towns like Frankland River alive and be a part of a small community.

Pennants started with a bye for Frankland River in Round 1 on 21st October.

Round 2 - 28th October

Frankland vs Golf Blue

Frankland River had a domineering win over Golf Blue

Frankland 36	Golf Blue 9
Frankland 31	Golf Blue 10
Frankland 40	Golf Blue 6

Great job Frankland River in Round 3

Round 3 - 4th November

Frankland River travelled to Albany Club to play Green Range teams.

Frankland 17	Green Range 17
Frankland 20	Green Range 19
Frankland 24	Green Range 16

Round 4 - 11th November

Frankland River played at home.

Frankland 16	Mid Beach White 26
Frankland 12	Mid Beach White 21
Frankland 13	Mid Beach White 14

So its been a good start to the season with two wins, one loss.

Mains water supply cannot be guaranteed during a bushfire

Water Corporation is prepared for bushfire season. However, we cannot guarantee that water pressure or water supply will be maintained in the event of a bushfire. Extreme demand, fire damage and power cuts can all result in a total loss of water.

If you plan to stay and defend your property during a bushfire, you must have your own independent water supply and pumping capability. You cannot rely on mains water.

Details and resources about how to prepare for bushfire season can be found at mybushfireplan.wa.gov.au. For warnings and advice visit emergency.wa.gov.au.

We would like to take this opportunity to extend a grateful note of thanks to our annual advertisers who continue to support your local community paper with their paid advertising; some of these have been with us since inception of the local rag in early 1998.

This assists us with production costs and allows FREE fortnightly circulation to residents in our district. Thank you all.
